

tanggero

Digital. Analog. Live.

Rooted in Manila's sweat-drenched dance floors at Annex House, tanggero threads a line from groovy house and broken beats to hypnotic techno. He pours round after round, until the circle forgets the hour. Now Amsterdam-based, he drifts between live hardware sessions and vinyl sets that dig deep. Loose grooves, tight floors. No filler, just friction.

SHORT BIO — FOR LISTINGS

tanggero is an Amsterdam-based DJ and live act with roots on the floors of Manila's Annex House. His sets run from groovy house and broken beats into hypnotic techno - played on digital, vinyl, or built live on hardware.
